### Veterans Appreciation Day a Big Success

Hamilton County Veterans Appreciation Day honored America's current and former service members at Great American Ball Park on July 20, 2024, and treated them and their families to free food, tours of the Reds Hall of Fame Museum, games, and more.

More than 2,000 veterans registered for the special event, which featured approximately 80 community partners dedicated to offering veterans support in health and wellness, career development, education, housing, financial assistance, and legal services. Hamilton County Veterans Service Commission received a lot of positive feedback about the event. Some examples:

- ✓ "Excellent venue. Parking was within walking distance. Great turnout by veterans. The variety of resources available to veterans covered a wide spectrum."
- ✓ "Loved this event. It was amazing. Had great conversations and was able to provide so many people with information regarding services."
